Foreword

Welcome to our fifteenth edition of the *State of Downtown* report. This publication is produced by Downtown Fort Worth, Inc. (DFWI) and Fort Worth Public Improvement Districts (PID), #1 and #14 to communicate the underlying economic trends shaping our center city.

Downtown Fort Worth continued its outstanding momentum in 2019. Office rental and occupancy rates compare favorably with other North Texas Submarkets while hospitality measures were among the strongest in the country. Retail remained strong and residential sales and leasing activity remained strong.

ABOUT US

DFWI's Mission

The mission of Downtown Fort Worth, Inc. (DFWI), is to be the catalyst for transforming Downtown into a vibrant place to live, visit, enjoy and conduct business through aggressive leadership of programs, projects and partnerships.

Who We Are

Formed in 1981, DFWI is Downtown Fort Worth's planning, advocacy, public space and project management organization. DFWI also builds Downtown Fort Worth's vitality by serving as a liaison, ombudsman and information source for property owners, residents, business owners, lenders, developers, community organizations and policy-makers.

What We Do

DFWI is a 501(c)(6) nonprofit membership organization. In addition to coordinating the Downtown planning process, advocacy, member services, communications and Downtown leadership, DFWI members founded the first Public Improvement District (PID) in the state of Texas in 1986. DFWI continues to manage PID #1 and also manages PID #14. These PIDs provide enhanced services to property owners including maintenance and landscaping, public space management, hospitality services, outreach, promotions and marketing, research, transportation, planning and security enhancements to 564 acres of Downtown.

DFWI also administers the Downtown Tax Increment Finance District (TIF) by contract with the City of Fort Worth. Eligible TIF projects include parking, infrastructure assistance to new developments, historic preservation, affordable housing, transportation and education.

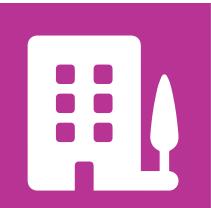

DFWI staffs the Fort Worth Downtown Neighborhood Alliance (FWDNA), an organization of Downtown residents that promotes, preserves, encourages and enhances residential quality of life in Downtown Fort Worth.

Downtown Fort Worth Initiatives, Inc. (DFWII) is a 501(c)(3) nonprofit corporation that provides a pathway for foundation grants, philanthropic donations and other contributions to help fund charitable, educational and public-purpose Downtown projects. Each year DFWII helps to bring more than 500,000 people to Downtown by producing the MAIN ST. Fort Worth Arts Festival and the GM Financial Parade of Lights. DFWII also developed the JFK Tribute in Fort Worth, redeveloped Burnett Park and is currently administering the Heritage Park restoration design. DFWII is a partner with Fort Worth Housing Solutions in the 172-unit, mixed income Hillside Apartment community.

Demographics of Downtown Fort Worth Residential Population

Residential Survey

With the addition of more apartments, the Downtown Fort Worth residential population is becoming **wealthier and better educated** and has **grown at an annual rate of 7.4% since 2007**. Currently, 10,278 people live in Downtown. DFWI has conducted five surveys of residents since 2007 to monitor trends in the changing demographics of the Downtown population. Our latest survey was conducted in December 2017.

A one-sheet survey instrument was delivered to 3,128 households in Downtown using first-class postage. The response rate was 11.1%, providing a margin of error of +/-.5% at a 95% confidence level.

A summary of the survey and trends are presented here. The full report is available for download from DFWI's website at www.dfwi.org, or contact Arrie Mitchell at arrie@dfwi.org to receive a copy.

PID #1 & #14

Quality of Life

Created in 1986, Downtown Fort Worth Public Improvement District (PID) #1, administered by DFWI, offers a comprehensive program of services including research, marketing, Downtown planning assistance, sidewalk cleaning, street sweeping, security enhancement, litter removal, and bird abatement. In October 2019 DFWI added a new Outreach Coordinator position within the Ambassador Program that works to connect those in need with proper social services using strategic caselevel management. From 1986 to 2009, the PID services were renewed by petition every five years by an overwhelming majority of property owners. Because of the PID's ongoing

success, it was reestablished in 2009 for a 20-year period by the Fort Worth City Council, following the submission of petitions from property owners representing 83% of the property value and 80% of the land area in the District. Downtown PID #14 was established in June 2009, and District contractors provide services along Samuels Avenue daily.

\$3,182,574 in services annually

7,488 miles of curb and gutters cleaned annually/144 miles weekly

1,984 cubic yards (53,568 cubic feet) of dirt/debris removed from streets, curbs and gutters annually

Tax Increment Finance District #3

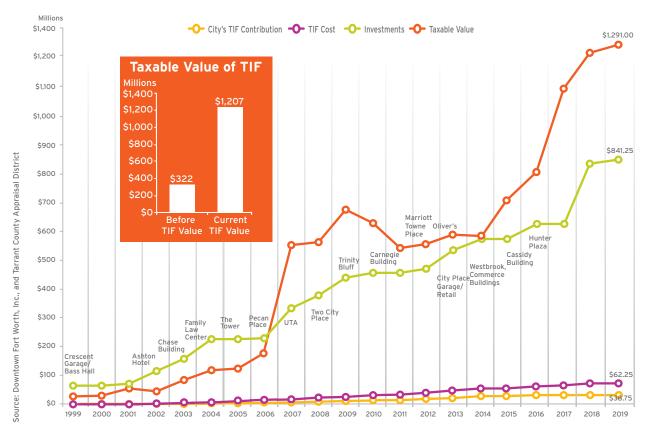

A significant partnership that adds to the success of Downtown is the Downtown Tax Increment Finance District (TIF) and the other Downtownoriented TIFs. The Downtown TIF makes strategic investments in parking, infrastructure, historic preservation and residential development. The TIF is a collaboration of the City of Fort Worth, Tarrant County, Tarrant County Hospital District, Tarrant County College

District and Tarrant Regional Water District.

To date, the TIF has obligated roughly \$97 million, leveraging **\$911 MILLION in private development** and facilitating \$55.05 million in public investment. In Tax Year 2019 the TIF generated \$13.8 million of tax increment to the taxing district partners. The TIF revenue is capped at \$5 million per year; the remainder of the tax increment, \$8.8 million, was returned to the taxing jurisdictions.

DFWI manages the Downtown TIF through a contract with the TIF Board of Directors.

Education is a key to Downtown's success. University of Texas Arlington, Texas A&M School of Law, Tarrant County College, Strayer University and Tarleton State University have a growing presence in Downtown and create workforce development. Our elementary and high school offerings are top performers. Fort Worth ISD's new flagship Science Technology Engineering and Math (STEM) and Visual Performing Arts (VPA) programs opened their downtown campus in 2018.
